

Sectorial Network Protocol of Higher Education Institutions

Leaders: UP & AGRIGEP

Štefan Bojnec, Patricia Blatnik, Jana Mazancová & Julianna Kobolák

Purpose

Operationalises the AGRIGEP Memorandum of Understanding (MoU) across ALS higher education institutions (HEIs) to strengthen Gender Equality Plans (GEPs), training, and good practices through regular meetings and joint projects.

10-Step Methodology for Building and Sustaining a Sectoral Network

Outcomes & Value for HEIs

- Shared protocol and governance model
- Stronger GEP implementation and capacity-building
- Pipeline of joint projects and exchanges
- Evidence of impact via KPIs and evaluations
- Greater visibility and policy influence

Key Success Factors

- Inlusivity: gender and geographic diversity
- Scalability: expansion across HEIs and sectors
- Innovation: inclusiveness, digitalisation, sustainability

Outreach & Knowledge Exchange

Collaboration platform for resources, knowledge exchange & training, good practices; regular convenings and open calls for new partners.

Highlights

- Building a sectoral network of HEIs in ALS
- Operationalises the AGRIGEP MoU for ALS HEIs
- Strengthens GEP implementation and mutual training
- Expands partner list and sends invitations
- Develops and maintains an online communication platform
